Following publication of the **Modernising Patient Pathways Programme Irritable Bowel Syndrome Pathway Test of Change Report**, we are delighted to invite you to join our launch meeting. Please share this communication with other colleagues that may have an interest in attending.

By attending a meeting you will be able to:

- Find out about the background of this work
- Hear the 'warts and all' story of implementation from the test of change teams
- Learn about the impact of the pathway on Primary Care
- Finally, of course, you will also be able to ask questions

In order to accommodate as many people as possible, we would be grateful if you would indicate your interest in attending. To do this, please email [fiona.bernardis@gov.scot](mailto:fiona.bernardis@gov.scot). A meeting e-invite will then follow.
