

Virtual IBD National Event

**Improving the Quality of IBD Care in Scotland
Implementing the Findings of the IBD UK National Report**

Wednesday, 9th March 2022

15:00 – 17:00hrs

An exciting opportunity for all IBD stakeholders to join the discussion and shape how we work together to improve the quality of care for patients with IBD and implement a sustained and consistent change across Scotland.

- **Learn more about the results of the IBD UK report and implications for Scotland.**
- **Improve the quality of care for IBD patients in Scotland.**
- **Opportunities and challenges, can we do things differently?**
- **How to implement change, is Scotland leading the way?**
- **How IBD fits into the political landscape in Scotland?**
